

### Masport Oil Separator

The Masport Oil Separator is designed to capture exhaust oil thus eliminating mess and clean up. The Oil Separator is made of precision-welded steel, pressure tested to ensure air-tightness. Like all Masport components the Oil Separator is available painted or unpainted. The Masport Oil Separator is available in a variety of porting sizes (1 1/2", 2 1/2", and 3" N.P.T.) and comes with heavy duty mounting brackets for ease of installation.

Typical Truck Set-Up (Configurations May Vary)
