Masport have been manufacturing vacuum/pressure pumps for over 100 years, so you can be sure of engineering excellence.

The Masport Viper Tractor Pack has been specifically designed and engineered to meet the needs of hard working pumpers around the world.

To produce our precision pumps, we only use the finest quality components and materials to ensure the durability of your vacuum pump.

Every pump is factory tested before shipping and is backed up by a one year warranty against all manufacturing defects.

With Masport on board you have an efficient and reliable pump backed by the best service and support that has made Masport the #1 choice for pumpers worldwide.

- 350 CFM Viper Pump
- 22” Hg continuous duty operation
- Heavy duty Pump Stand
- Compact high efficiency Oil Separator
- Stainless steel integral Inlet Filter
- Integral Vacuum Relief Valve
- Self-aligning gearbox and hydraulic drive options available
- Rexnord Omega Coupler on gearbox installations allows for greater life with automatic transmissions
- Easily accessible maintenance points
- Oil, chemical and heat resistant hoses and float seat
- Separator supplied with 3” NPT fitting and exhaust deflector
- Available with plastic, steel or combination oil/flushing reservoir
- One year performance warranty
