For All Pumps

BUILT FOR THE HARD WORKING PUMPER

Vacuum Pump Oil

Masport Vacuum Pump Oil is the recommended oil for use in Masport Pumps.

Warning! Do not use transmission fluid, automotive motor oil, power steering fluid, used oil, vegetable oil, brake oil, hydraulic fluid, gear oil or scented oil in a Masport Pump.

Substitute oils approved for temporary use in Masport pumps:

Shell Turbo T Oil 32, 68, 100 Shell Oil Company – Houston, TX	800-231-6950
Monolec Compressor Oil* Lubrication Engineers – Fort Worth, TX	817-834-6321
Mobil SHC 525 (Synthesized Hydrocarbon) Mobil Oil Company – Fairfax, VA	800-662-4525
Anderol 497 Anderol Inc – East Hanover, NJ	888-263-3765
Chevron GST 32, 68 ChevronTexaco Corporation – San Ramon, CA	800-822-5823
Regal R & O Turbine Oil 32, 68 ChevronTexaco Corporation – San Ramon, CA	800-822-5823

** Monolec Compressor Oil is colored red and should not be confused with transmission fluid.*

Use of these oils will extend the life of the pump and ensure proper performance and lubrication.

Note: Oils numbered 32 & 46 are for winter use. Check pour point to determine minimum temperature. Oils numbered 68 & 100 are for summer use.
